

# The Strata Kiosk Range

## For Ultimate Impact in Public Access Areas

Incorporating:

© Key Technology Solutions UK

The Strata touch screen kiosk has been developed for high footfall public access areas where impact is as important as robustness. The Strata range has been adopted by many organisations who need to deliver touchscreen solutions in a busy environment. This stylish glass based kiosk benefits from a steel construction and shatterproof front glass. Various options are available on this product, ranging from printers to customised engraved branding.

- ◆ Shatterproof shaped glass
- ◆ Epoxy coated steel main housing
- ◆ Integrated edgelighting
- ◆ Illuminated signage
- ◆ 17" or 19" TFT touchscreen
- ◆ Rugged PC
- ◆ Mains distribution system
- ◆ Forced fan cooling
- ◆ Stainless steel base
- ◆ Entry and tilt alarms
- ◆ Optional printer
- ◆ Optional card reader
